41st IVCA WORLD RALLY

Cremona May 17-21, 2023

41st IVCA WORLD RALLY

Welcome

to the IVCA Rally in Cremona, that medieval city where Antonio Stradivari (1643-1737) created his world-famous violins. But also the city at the centre of an area, famous for its gastronomy, rich in traditional dishes such as Torrone* and Mostarda di Cremona**, and risottos, and ravioli and the famous cheeses.

AVI will be proud to lead you to discover the beauty of an area rich in rivers, to introduce you to the monuments, but also to accompany you on a gastronomic journey where every day you will discover different dishes that will surprise you.

You will be welcomed at the Colonie Padane on the banks of the river Po where, in the immediate vicinity, you will find the campsite and the Po circuit, a 900-metre asphalt track surrounded by greenery that will host our velocipedes.

*italian white nougat ** Italian speciality of candied fruits with mustard.
